"Catching Up in Canton" is the Paramount-Burton Holmes Travel-Picture for release on January 9th. Canton has always been the most typical of Chinese cities; its people seem more characteristic than any usually seen by the tourist. Canton's streets are the narrowest and the smelliest; her shops are the most unique. Today, however, Canton is looking up; the old Wall is being destroyed, to be replaced by a boulevard. Sky-scrappers are being built and motor-cars in limited numbers are replacing the jin-ricki-shaws. A trip with Burton Holmes to the Canton of today, tells the story of the new and progressive China.
